**BRUSSELS (31/05/2021) – bridgX is proud to announce its merger with ARAGO Consulting in Belgium and Luxembourg. bridgX, an SAP Gold Partner, is a Belgian boutique HR consulting company focusing on improving the employee experience.**

Paris-based ARAGO Consulting is a pioneer of the HR cloud, developing its role as a significant player in the efficiency-led digital transformation of corporate HR, procurement, and finance functions. With solid and continuous growth since its creation in 2010, ARAGO Consulting, an SAP Gold Partner, operates in 11 countries across four continents. It employs 180 consultants and works with blue-chip clients from a wide range of business sectors.

“ARAGO Consulting is committed to delivering the best possible service to our clients in the Benelux region. We are pleased to welcome our latest partners, Bert Caryn, Kurt De Koeyer and Raf Rottiers. With this merger, we strengthen our position in the region and add SAP® HCM on-premise expertise to the service portfolio of the whole group. We are confident this change will allow us to become the one-stop shop for HCM services.” said Jean-Christophe Péaudeau, CEO of ARAGO Consulting.

“bridgX provides us with the certainty of a successful entry into the Dutch-speaking regions of Belgium and in The Netherlands. We are delighted to be working hand in hand with bridgX.” said Yannick Raba, COO of ARAGO Consulting.

“Merging with ARAGO Consulting accelerates our path to becoming a total SAAS implementation partner for our region. We are now able to help our clients not only in the field of SAP HCM and SuccessFactors®, but also SAP Concur, SAP Fieldglass, PeopleDoc (UKG HR Service Delivery) and Qualtrics.” said Raf Rottiers, CEO of bridgX.

“Being part of the ARAGO Consulting group will allow us to globally scale our offering and at the same time expand our service portfolio. We are very excited to take this next step in the bridgX journey.” said Kurt De Koeyer, partner at bridgX.

“This is a match made in heaven, and not just because our skill set is complimentary. What is truly remarkable is our shared values and vision for the future. We are convinced that our team and clients will benefit from this collaboration.” said Bert Caryn, partner at bridgX.

“This is a new and significant step towards further growth for ARAGO Consulting in the Benelux region. Especially considering there are few competitors solely focused on HR and SAP with such a broad set of competencies and assets.” said Marc Fraipont, founding partner of ARAGO Consulting in Belgium and Luxembourg.

Working closely with the CEO Jean-Christophe Péaudeau and executive team at ARAGO Consulting, Bert Caryn, Kurt De Koeyer, and Raf Rottiers will lead the company’s activities in Belgium, The Netherlands and Luxembourg. They will also join the board of ARAGO Consulting.
